

## History Made As North Saanich Council Meets In New Chamber

There was an air of gaiety as members of North Saanich council met on Monday evening, June 5, for the first session in their new municipal hall on Mills Road. Beautiful bouquets of flowers, sent by well wishers, added to the scene. The council chamber, 23 feet by 24 feet, is attractively furnished with new tables and chairs. Ample facilities have been provided for spectators -- and a number of visitors were present for the inaugural meeting.

Behind the reeve's chair were placed two imposing flags -- the Canadian flag and the Union Jack -- and between them was displayed a beautiful picture of Her Majesty, Queen Elizabeth. The flags and picture were the gift of Councillor Neil North.

Acoustics in the new council chamber proved to be excellent. The press table left nothing to be desired -- and the newsmen's chair was even padded. A base for the reeve's gavel had been made and presented by Cyril Rodd. It was turned from arbutus.

With all members present with the exception of Councillor F.C. Adams, Reeve J.B. Cumming welcomed members of his council to their new chamber.

The reeve spoke as follows: "To mark the occasion, I'd like to say a few words before we call the council to order on this our first meeting in our own council chamber. It is modest and unpretentious but then so, I hope, are we. It is practical, and designed to serve our purpose for as long as we require it. It will be warm, quiet, comfortable and our own."

"I feel very proud tonight. Proud of the people I am privileged to associate with -- who have contributed so much in time and effort to the creation of this Municipality, and even in the tangible things -- the extra things, the furnishings, the extra things, the flags, the queen's picture, the rustic signboard outside, the shrubs, plants and trees were all donated by council members, members of the staff and other good citizens such as Captain Darling. I will avoid any embarrassment by refraining from naming names, but I have to say I am proud they feel this way and that they feel can be expressed in saying 'This is our Municipality.'"

"There is a sense of achievement in having come this far in a year and a half. We feel now that the laborious days are behind us, when there was no room to work and the accumulation at the end of the day was greater than in the morning. We now have a tangible focal point for the municipality. We can in our little time create a most beautiful little park area here, and as we require the space, set up such structures as we consider necessary. We can hope to preserve the rural touch and have rustic type buildings, but time, and the future may demand a modern concrete and glass structure. We have acquired the land, the future must take care of itself."

"We can watch our larger and older neighbours, and their successes, and avoid their errors, and we can hope our successors accomplish what we can only dream about. Let us

at least give these future councils a good foundation to build upon."

"We can now bend our efforts to erect that less visible structure -- a municipal government -- one that will stand firm before the storms and gales, the onslaught of indignant speculators, outraged taxpayers -- and be sound and strong, at least we hope, in the eyes of most of the people most of the time."

"These walls will hear many a discussion in cool tones and in hot temper. Let us dedicate them, and ourselves, to doing what is right, not what is expedient, regardless of who is right, but what is right. This is the measure of good government."

"I would like to congratulate the contractors Messrs. Braun and Duclos and thank them for a job well done. We are very pleased with their work and that of the sub-contractors."

"I know our work here will be done to the best of our ability. Therefore let us proceed to employ this chamber for the work in which it was intended."

Councillor T.C.M. Davis briefly commended the reeve for his remarks and for his achievement in converting a former residence into such an adequate municipal hall.

Councillor Neil North endorsed her colleague's tribute to the reeve. "He has saved us many dollars for the work he has done voluntarily here," she declared.

Other councillors were quick to express appreciation. The reeve expressed his gratitude and mentioned the valuable help of the municipal staff during the trying period of construction.

Following the meeting, light refreshments were served in the council chamber, the wives of some council members joining their husbands for the occasion.

## CASH ADVANCE IS INVITED

In a communication received from Mayor A.W. Freeman of Sidney on Monday evening, North Saanich council was invited to advance a capital sum in lieu of rent for reconstruction of the R.C.M.P. facilities in Sidney's municipal hall. Larger quarters are needed following augmenting of the police staff here.

Councillor J.J. Wilson questioned Reeve J.B. Cumming on the proposal. The reeve explained that North Saanich will pay five-ninths of the cost of police building and North Saanich. Rental would not be paid to Sidney, he said. He suggested that the mayor's suggestion be studied by the finance committee.

On motion of Councillors T.C.M. Davis and G.R. Aylard, the matter was referred to committee.

## Extensive List Of New Equipment

North Saanich municipality has purchased some mobile equipment which will be used in servicing the area. Reeve J.B. Cumming on Monday evening listed the equipment which has been acquired as follows: two shovels, a wheelbarrow, one axe and one rake. These tools are now in use by the public works department of the municipality.

In commending the reeve for the guidance he had given in reconstruction of the new municipal hall, Councillor T.C.M. Davis observed: "The reeve should be building schools for us."

"At some of the prices they are getting for building schools, I am sorely tempted," replied the reeve.

## Plea Of Ratepayer Moves Councillors

Although North Saanich council maintains it has no direct responsibility, it was agreed on Monday evening to study some method of alleviating the flooding problem being experienced by Peter M. Lawrence of Deep Cove. The latter wrote to the municipality, pointing out that water originating from springs flows along Wain Road and floods his property. As a result his septic tank is ineffective and his well is contaminated.

Reeve J.B. Cumming pointed out that the property has always been marshy and was purchased in that condition. Source of the water is not municipal responsibility, he argued, but it might be possible to assist Mr. Lawrence by some ditching.

On motion of Councillors D.R. Cook and Neil North, the problem was referred to the public works committee. Recalling the days when she skated on the property, Mrs. North urged that all proper assistance be given Mr. Lawrence.

## No Absorption Of Soil In Area

Soil in the vicinity of Patricia Bay Store on West Saanich Road will not accept septic tank effluent, North Saanich council was advised on Monday evening by Metropolitan Board of Health. The Board asked to be advised before council sanctioned a concession stand there. D. Gibbs had petitioned for permission to operate the stand. It was agreed to table the Board's recommendation.

## Resigns

S.N. MAGEE

S.N. Magee, teacher at North Saanich Secondary School for the last 10 years and resident of Sidney for 21 years, has resigned his teaching position.

Next fall Mr. Magee and his wife Lorna are moving to the Richmond area where he will teach at the Cambie Secondary School in the Vancouver suburb.

Mr. Magee has been widely known in the district for his teaching and for his organization of the North Saanich school band.

He taught electricity and science as well as music at the school and it was his electricity class which built the language laboratory facilities.

Before teaching at North Saanich, he operated the M & M Radio Shop in Sidney for 11 years.

He said he didn't like the prospect of leaving this district, especially because of the wonderful climate, but there was more opportunity at the Cambie school.

He thanked the Parents' Band Committee for the "exceedingly hard work they have been doing over the 10 years that I have been at North Saanich school."

## North Saanich Council To Study Amalgamation

Members of North Saanich council will meet in committee next Monday evening to discuss a possible amalgamation of the municipality with the town of Sidney.

This decision was reached after hearing a report from Councillor G.R. Aylard on the subject. He had been appointed as the council's representative on a joint committee with Sidney to discuss the proposal. Alderman W.W. Gardner has been Sidney's representative.

Mr. Aylard reported that he had found much in favor of amalgamation. Both he and Alderman Gardner agreed that a qualified man should be appointed to give study to the plan.

Following is the text of Councillor Aylard's report:

"This is a further progress report on the amalgamation study of Sidney and North Saanich. As a result of Alderman J.E. Boshier's report, which outlined various factual items relating to the operation of the Town of Sidney, I have attempted to relate these to North Saanich figures. For general administration the advantage of a larger tax base is evident since last year approximately 4.4 mills

were used in Sidney while in North Saanich 3.8 mills were utilized. This same theory can be advanced as two public works departments are developed. As I stated in my first report, and Ald. Boshier concurs, further savings would result from a combined administration and larger tax base.

"One of the main benefits, that of development control, would result from one administration. One planning and engineering service would then enforce and make uniform regulations for the combined area.

"North Saanich is eventually going to be forced into encouraging commercial development, in competition to the Town of Sidney, to broaden its own tax base if some agreement is not reached.

"Ald. Boshier made reference to the fact that amalgamation would result in Sidney residents paying for police, which is true, but I would submit that this is in the offing anyway."

"The important matter to remember in assessing the value of amalgamation is not the immediate effect, but from two or three years; that is five to 10 years and beyond."

"I have had prepared a break-

down of the various operating statements of the two municipalities for last year. I would recommend that council take time to study these figures and other factors of amalgamation."

It was agreed unanimously to accept Mr. Aylard's recommendation and study his amalgamation findings in committee.

Reeve J.B. Cumming reported briefly on a meeting he had had with Mayor A.W. Freeman when amalgamation had been discussed. The mayor had suggested a joint council session on the subject, but the reeve had felt that this would be of greater value after an outside report on the subject had been secured.

## FAMILY FUN DAY

Great preparations are being made at Saanichton Fair Grounds for a long day of entertainment this Saturday, June 10.

Family Fun Day will offer a galaxy of attractions for all ages from the morning through to the close of day.

Arrangements of the Western Horsemen's Club will feature a show and pony rides, and a steep riding competition for young people promises exciting entertainment.

Midway attractions are being supervised by the Saanich and Sidney Lions Clubs, and Bingo enthusiasts will have every opportunity of covering their cards.

Star item in the program is the display of the Saanich Red Lion Girls' Drum Corps. Animals from Rudy's Zoo will be on show.

Profits from Family Fun Day will be devoted by North and South Saanich Agricultural Society for improvements to the Fair buildings, new stables for horses and pens for farm animals.

Concluding event of the festivities will be a dance at 9 p.m. in the main hall with the Homebodies in attendance.

## WEATHER

The following is the meteorological report for the week ending June 4, furnished by the Dominion Experimental Station.

Maximum tem. (June 1)-----80
Minimum tem. (May 29)-----44
Minimum on the grass-----39
Precipitation (inches)-----0.42
1967 Precipitation-----17.41
Sunshine (hours)-----57.5

SIDNEY

Maximum tem. (June 1)-----81
Minimum tem. (May 29)-----44
Mean temperature-----55.8
Precipitation (rainfall)-----.36
1967 Precipitation (inches)-----17.31

## Discrimination Over Brentwood?

Problem of septic tanks are un-satisfactory was grappled with by Central Saanich council last Monday.

Report by the engineering firm of Ker, Priestman and Graeme Ltd. was circulated to members, and municipal officers were instructed to prepare "guidelines" for the future consideration of council.

"This is a tough and thorny problem," commented acting-Reeve C.W. Mollard. He said he had met that afternoon with the inspecting engineer, a sanitary officer and the municipal officials. "It is a problem requiring a degree of elasticity,"

he remarked.

Regarding the situation in Brentwood, he said the test "will, or won't it pass percolation tests is necessary."

"How can you discriminate against the Brentwood area?" protested Councillor Harold Andrews.

"If you don't like the report, tear it to pieces," responded Councillor Mollard. As far as the rest of Central Saanich is concerned sewers may go in perhaps in seven or eight years, in other parts it may be 25 years, he remarked.

Policy of confining new building to higher ground ridges running approximately north and south was mentioned. This would facilitate an easy run-off to trunk sewers when they are installed, said the councillor.

It was remarked that in order to pay for sewers there has to be population, and that means installation of septic tanks initially.

Proposal of above ground absorption fields where percolation is unsatisfactory has been recommended.

## Action Is Deferred

Central Saanich police commission recommendation that bulk gasoline supply be installed for use of the police department was deferred by council last Monday for consideration in next year's estimates.

It was mentioned that such an installation could involve also an air supply for tires and water for radiators and batteries. "Does that compensate for the saving in gasoline costs?" asked acting-Reeve C.W. Mollard.

"We are not yet ready for this. It could easily grow into a demand for a service attendant," said Councillor A.M. Galbraith in proposing a motion for deferment.

## Top Marksman

Ian Gardner, son of Mr. and Mrs. S.G. Gardner of 2477 Sidney Avenue, was the winner of two trophies when the Junior Rifle Club held its recent awards day. Ian won the Junior Rifle Club Shield presented by the Sidney Recreation Commission to the top marksman in the club, and also the trophy for the most improved shooter in the club. John Cook and Tom Gallagher placed behind Ian in the marksman competition.

## Sewerage Plan Intended To Prevent Saanich Inlet Pollution

The proposed Brentwood Bay sewerage project, its method of installation, and the ultimate plan to incorporate the system within the scope of the regional main trunk sewer plan, was fully discussed at a public hearing in Brentwood Women's Institute Hall on Tuesday of last week.

C.J. Keenan, pollution control director, was in the chair, and at the outset he explained that under the new legislation it was his privilege to issue or deny permits for the discharge of sewage or other wastes. New function of the Pollution Control Board is to hear appeals, set policy, and advise the government on a higher level, he stated.

A large number of objections to the scheme proposed by Central Saanich council were submitted to the Director in the

form of briefs and by spoken word from the floor of the hall. In his introductory remarks, acting Reeve C.W. Mollard said "this is one of the worst pollution situations on southern Vancouver Island."

"This will be the first step in carrying out a complete sewerage system for Central Saanich. Council believes that the Brentwood area is greatly in need of this installation on a temporary basis until the area population exceeds 4,000, when the master plan can then be put into effect," he stated.

Dr. J.L.M. Whitbread, senior medical officer Metropolitan Board of Health, said "five years ago Central Saanich was requested to take some action about sewage disposal. Things have been getting worse and it is now one of the most highly contaminated areas in the Greater Victoria District. Pollution is high in the ditches and along the beaches."

Russell E. Potter, consultant engineer in charge of the project, described the proposed scheme as a "short-term solution", and of such a character

that it may be incorporated eventually within the framework of a regional sewerage treatment.

He said that the degree of treatment is of a much higher standard than was proposed in the earlier schemes of 1963. Continuation and oxygenation of the effluent will produce "a clear

liquid with the appearance of water in the Director's glass," said Mr. Potter.

Discussing the position and depth of water of the outfall, he remarked "at 100-foot depth we will get total dispersion."

It was stated that the Department of Fisheries has approved the scheme with the proviso that no toxic chemicals may be permitted to be discharged from the drainage area.

Mr. Potter emphasized that the new zoning by-law specifically excludes industrial operations within the proposed sewerage area.

T.G. Donny presented a brief on behalf of a group of property owners, and noted specific departures in the plan as compared with the conclusions of the recent regional sewer trunk line survey.

"We are delighted that something is being done, but we wish to see that it is done in the right way," said Mr. Donny. "Mr. Potter is a past-master at finding the cheapest way of doing things," he quipped.

The speaker referred to the shallows at the mouth of Brentwood Bay. There is very little tidal movement; debris is locked in by the shallows and seems not to get out of the Bay, he noted. He claimed that the proposed scheme does not follow the recommendations of the experts.

"I would like the Pollution Control Board to tell me where to put the outfall," he responded Mr. Potter.

"We would be happy to do so if we got the engineering fees," said the Director, with a grin.

## REWARD OFFERED

Sidney undertaker Claude Johnson takes justifiable pride in the garden surrounding Sand's Funeral Chapel. It is unquestionably the most outstanding garden in the commercial area.

To complement the garden, Mr. Johnson recently erected two beautiful hanging baskets below the eaves of the building. They featured lovely fuchsias in full bloom.

On Saturday night some miscreant stole both hanging baskets. Mr. Johnson, who is understandably indignant at the wanton action, is offering a generous reward for any information which leads to the apprehension of the thieves.

Only a few weeks ago, a valuable tree was wantonly damaged on Beacon Avenue. In that case, too, a reward was offered if the miscreants could be located. No information was forthcoming.

## In Kindergarten Integration Scheme

In the previous two articles on this subject, the principals of the various public elementary schools in the area said that a program begun this year of integrating Indian children into the public school kindergartens was successful. This opinion was also adopted by F.A. McClellan, district school superintendent for District No. 63.

In this article, the views of the Indians themselves are expressed. This is the last article of this series.

"The experiment has been successful," says Thomas Sampson of the West Saanich Reserve. Mr. Sampson, whose wife Audrey is the president of the Tsartlip P.T.A., was responsible for organizing a study school at night whereby university students tutored Indian children. The work was totally volunteered.

"The Indian children didn't have any trouble integrating," Mr. Sampson continued. "They got along fine and next year we expect about 16 children will be sent to the public school kindergartens."

"The reason many of them are not staying at the public schools for grade one is that

they have brothers and sisters attending Tsartlip School.

"However, the decision about whether or not the child will continue at the public school or return to Tsartlip is left entirely up to the individual parents."

Unlike some Indians, Mr. Sampson feels there is no discrimination against Indians.

"Our children participate in sports with the white children," he says, "and there is no trouble. Also, when students from Tsartlip look for jobs, they meet no discrimination. Employers take everyone on their individual merits."

Chief Philip Paul of the West Saanich Reserve, who is employed as a vocational guidance counsellor with the Victoria School Board, thinks the program was a step forward and a step backward at the same time.

"It's forward because it is a step towards integration," he says. "However, it is a step backward as well because it is not going far enough. If Indian children are to make out in the white man's world, they must grow up in the same environment as the white children."

"Of course, the Indian people don't change quickly. They don't like to make up their minds until they are positive of something."

"Tsartlip School, for example, it may not always exist, but it certainly won't disappear in the near future."

Chief Paul also commented on the fact that the Indian children were sent to different public school kindergartens, though they may have come from the same reserve.

"It isn't a good idea to separate the Indian children like that. If they come from an area which is 90% Indian, then it is creating a false environment to put them in a class where they are in the minority."

Though he differs with certain aspects of the program, Chief

## Busy Even In Retirement

"After 35 years on the job it's pretty tough to stop working completely, but I've managed to get along," says Fred W. Sealey who recently retired from the Department of Transport.

Mr. Sealey, who lives at 9250 Rideau Place in the Bakerview subdivision, joined the department in 1928 when he was hired as the department's wireless operator on the famed RCMP ship, the St. Roch. He worked on the boat during its maiden voyage in the Arctic, before it made the historic Northwest Passage trip.

Before that, he worked on vessels along the west coast and around the world. His travels took him to many places, but, as he says, "There's never been any doubt in my mind that I wouldn't live in this district."

Born in England, his father brought the family to Winnipeg, then moved to Edmonton where the family was raised. They moved to the Victoria area in 1918.

Mr. Sealey has been at the airport since 1952, and was Chief Radio Officer when he retired. In this position, he was responsible for the maintenance and operations of the radio branch, a job which called for technical and administrative abilities.

At the moment he is busy enjoying life. He plays golf almost every afternoon at Ardmore, and when he's taking an afternoon off golf, chances are

Paul says he is satisfied with the way it has gone, and looks optimistically to its future. As others have done, he too commented favorably on the close cooperation of all concerned with education in this district.

## Show For Connie Brodie Held Recently

Miss Connie Brodie, now residing in Valley View, Alberta, was honored at a linen shower while home for a visit before her July wedding.

Mrs. Sandra Pratt was hostess, assisted by her sister, Mrs. Ron Holt.

The presents were placed around a decorated toy tractor. The honored guest's chair was decorated in pink and white streamers and a paper pink and gray watering can decorated the wall above the chair.

Following the opening of the useful linens, games were played and refreshments were served later. Games were won by D. McVinnie, C. Brodie, F. Pearson, M. Pratt and J. Brodie. Invited guests were Mesdames G. Brodie, V. Bowker, R. Holt, D. McVinnie, J. Pratt, D. Brown, W.L. Rooke, E. Rooke, R. Pearson, O. Larsen, A. Bowker, R. Cornish, and the Misses J. Brodie, I. Rooke, S. Mills, D. Wilkinson, S. Hooper, K. Gibson, J. Kellie and S. Cavenagh.

Young Vickie Bowker, niece of the bride-elect also attended.

Fred Sealey

that he'll be out in a boat fishing.

He also spends time in the garden and in this area he has developed as yet-unpatented "tent caterpillar gun."

"It's very simple," he explains, "the gun is an ordinary oil squirt gun with the nozzle pulled off. Its contents are mostly coal with a few drops of lubricating oil. All you do is fill it, aim it and press the trigger."

"It has a range of about 15 feet, and if the caterpillars are high on the tree, all you need is a ladder. One thing that should be noted, however, is that the nozzle of the gun must be removed. Otherwise the liquid will come out as it would from an atomizer and this would kill the trees."

In a demonstration for The Review, Mr. Sealey killed a nest of caterpillars within seconds with his gun.

## Victoria Artist Holds Showing In Sidney Shop

Pauline's Handicrafts on Beacon Ave. will hold a one-man showing of the works of Victoria artist Viola D. Martin June 13.

Mrs. Viola D. Martin is a native of Alberta, studied oil painting with Eugene Garin of California and is now a student of Brian Travers-Smith of Victoria.

Mrs. Martin has had her work shown in California, Idaho, Texas, Mexico, Alberta and Alaska. During the past two years she has taught oil painting classes at the Silver Threads Association in Victoria.

The June 13 show will be the first of a series of one-man exhibitions planned this summer for Pauline's Handicrafts.

## Canadian Play

Canadian playwright George Blackburn offers a new and different comedy in "A Button Missing" coming to the Langham Court Theatre in Victoria June 10 - 17. The play is to be put on by the Victoria Theatre Guild.

It stars Ken Bostock, Lorraine Bowman, Jennifer Whitt, Nora Kelly, Helen Phillips, John Britt and Dave Foster.

## Discussion

Some 30 interested Sidney businessmen met with town council June 1 and discussed current controversial issues concerning the town.

"Nothing was decided at the meeting," said Chamber of Commerce president W.J. Larnick, "but matters such as a new hospital, a new breakwater, reopening of the tourist bureau and so on were discussed."

## More Than 100 Attend Mother-Daughter Banquet

More than 100 mothers, daughters and leaders met at the Legion Hall May 6 for the annual Mother and Daughter Banquet. Mrs. L.A.C. Atkinson, President of the Sidney Mothers' Group

welcomed everyone. Guider Sheila Marshall said grace, followed by the buffet dinner.

The toast to the Queen was proposed by Patti Atkinson, Ranger, and the dinner was followed by Guider Linda Hunt offering the closing grace.

Arrangements for the dinner were made by Mrs. Ruth Moffatt, Mrs. Kay Marshall and the executive.

Tables were cleared by the girls and the mothers were entertained with a delightful song-fest with the girls gathered around the campfire, led by Mrs. Irma Coward, Lieutenant Jacqueline McRae and Brown Owl Coral Kavanaugh. The evening was concluded with the singing of Taps.

## Addition To Beacon Ave. Building

Construction being carried out at the rear of the Credit Union Building on Beacon Ave. is to house the expanded facilities for the Credit Union and Sidney News and Smokes (bus depot).

Work is expected to be completed within two or three weeks. The expansion will mean increased kitchen facilities and an extended coffee counter for the News and Smokes store. Offices are planned for the second floor of the two-storey addition.

Further expansion of the coffee shop facilities is foreseen for next year by proprietor W. J. Larnick.

## Services Held For A. Nicholson

Archibald Nicholson passed away at Rest Haven Hospital June 5.

Mr. Nicholson was born in St. John's, Nova Scotia, 80 years ago. He resided in Sidney for the past four years, living at 9875 Sixth St. Before that he lived in Nanaimo for several years.

He served in France with the Second Battalion, C.E.F. during the First World War.

He leaves his sister, Mrs. H. T. Hunter of Vancouver, and his cousin, Mrs. E.L. King of Victoria.

Services were held in the Sands Memorial Chapel of Chimes in Victoria June 7. Padre Douglas Kendall officiated. Interment followed at the Veterans' Cemetery at Esquimalt.

three, Betty Mouat, 639; men's high single, John Waterfall, 298; ladies' high single, Mary Bates, 245.

Crying towels were presented to Bene MacDonald and Jim Campbell.

A special vote of thanks and desk sets were presented to Ruth Archer and John Sturdy for their great assistance in the keeping of the scores and the bowling bulletin sent out each week. Refreshments and dancing were enjoyed following the prize giving.

## Horseshoe Pitching Sidney Day Feature

Horseshoe pitching will be one of the new features of Sidney Day celebrations this year, according to George Howard, chairman of the Sidney Day Parade.

Mr. Howard also informed The Review, "There has been an encouraging response in number of applications for the parade. In fact, several surprise floats are already being built."

Entrants from Brentwood, Metchosin, Sooke, Langford, etc. are expected to enter the Lower Vancouver Island Horseshoe Pitching Tournament. Top prize in the tournament will be the Whipple Perpetual Trophy, which was donated last year by Mrs. C. Whipple.

Anyone wishing to participate in the tournament should contact George Howard at 656-2976.

## Presentation Of Trophies Winds Up Legion Bowling

To wind up the successful Bowling League season 1966-67, members of Royal Canadian Legion Bowling League entertained Saturday night, May 27, at the Legion Hall.

Fred Morris, president of the Legion, announced the winners for the season and Ruth Archer,

president of the L.A., presented each member with a scroll of their individual scores.

The trophies were presented to the following by the president's wife, Mrs. Fred Morris. The winning team was the "Atoms", consisting of the captain, Mac Monat with Betty Mouat, Sig. Emerslund, Steve Wawryk, and Rex Daykin, who were presented with the Legion Perpetual Trophy.

Other trophies won for the season were: men's high average, Bill Bates, score 190; ladies high average, Libby Marcotte, score 160; men's high throw, Charlie Archer, 880; ladies' high

## Program for the NATIONAL VETERANS WEEK is as follows:

<b>Sunday 11 June,</b>	Memorial Service at Holy Trinity Church. Veterans to fall in at Legion Hall at 1:45 p.m. Church Service to commence at 2:30 p.m. Refreshments will be served in Legion Hall following the Service.
<b>Monday 12 June,</b>	Open house at Army, Navy and Air Force Veterans Club.
<b>Tuesday 13 June,</b>	Baseball game between the Little League teams sponsored by the Legion and Army and Navy. Preceded by game between the two veterans organizations.
<b>Wednesday 14 June,</b>	Bingo in Legion Hall. All veterans welcome. Commence 8:00 p.m. Cards \$1.00 additional cards 25 cents.
<b>Thursday 15 June,</b>	Film Show in Legion Hall at 8:00 p.m.
<b>Friday 16 June,</b>	Open house at Royal Canadian Legion, Mills Road
<b>Saturday 17 June,</b>	Parade at cenotaph to lay wreath marking the end of Veterans Week. Parade to fall in at Army and Navy Club at 7:00 p.m.

All veterans in Sidney and North Saanich are urged to attend these functions.

## HOOVER WASHER/SPINDRYER

- 1. SO COMPACT AND PORTABLE**  
More cleaning power and efficiency than larger washers, and it's COMPACT! Keep it in the kitchen, the bathroom, even in a closet!
- 2. NEEDS NO PLUMBING**  
Needs only a faucet and drain to start washing. No expensive installation, no cumbersome plumbing necessary... Think of the saving!
- 3. USES LESS THAN 9 GALLONS OF WATER**  
Yes, less than 9 gallons of hot water--and less detergent, too! And you can re-use the hot water and suds for a second or third load if you wish.
- 4. TOTALLY UNIQUE WASHING ACTION**  
No cumbersome agitator to waste space. The unique "pulsator" forces water and suds through the clothes. It's safer for delicate things, more efficient for heavier clothing.
- 5. RINSES AND SPIN DRIES FASTER, TOO!**  
High speed spinner removes soapy water in seconds. Clothes can be rinsed in the spinner, then spin-dried thoroughly. (Lighter things are dry enough to iron.)
- 6. SO QUICK YET SO THOROUGH**  
Even heavily soiled work clothes come out cleaner... in less time, too. Hoover's pulsator washing action and exclusive design take the work and the dirt out of washday!

## SEWERAGE PLAN

(Continued from Page 1)

Mr. Denny contended that the outfall should be extended into deep water at 1,700-feet. He also feared that there would be obnoxious odors from the treatment plant in view of its proximity to dwellings and boating houses.

"Aeration sounds to me as if it is going into the air. What does 'little or no odor' mean?" he enquired. He said there had been complaints of embarrassing smells near to the Lake Hill

treatment plant.

"The reference to Lake Hill is not fair. That is a primary plant only, and what is proposed is an entirely different proposition," said the Director.

Mr. Denny was concerned with the build-up of solids from the discharge. He felt strongly that council should preferably implement Plan 'A' of the trunk sewer report, if not, the effluent should be discharged by a long pipe to the place of maximum flow, he urged.

Chief Philip Paul of the Tsartlip Indian Band said that he

would second Mr. Denny's presentation.

"I have had a very difficult time in gaining information; there is vague and conflicting evidence. I have been asked to turn it down, he stated.

Saying that many of his people depend on shellfish to supplement their diet, he declared that the discharge of effluent would pollute the beaches.

Jim Gilbert made a joint objection on behalf of Victoria-Saanich Anglers' Association and the Amalgamated Conservation Society of Greater Victoria.

Speaking of the letter of approval received by council from the Department of Fisheries, he said: "The idea that the Department is happy is not the theme I get from the Vancouver office of the Department. I gather that they have not, neither has any other body made an adequate study of tidal movements in the Bay."

"Get the effluent out of the Bay and across the Peninsula; I believe that 85% of the population would go for that," said Mr. Gilbert. He maintained that this would be financially possible with the help of potential developers.

On the question of an outfall at greater depth, it had been earlier stated by Mr. Potter, and agreed by the Director, that a lesser depth than the proposed 100-feet would be desirable for better oxygenation of the effluent flow.

Mr. Gilbert said he had changed his stand on this point because of the views he had heard. "Mr. Potter has agreed it is better to put the effluent out at 60-feet into moving rather than stagnant water, so with developers going into the Highlands District would it not be better to pipe it across to Willis Point and dump it into Saanich Inlet, with the sub-dividers contributing to the cost?" he suggested.

Loud applause from a section of those present prompted the Director to remark: "This is a judicial enquiry, not a performance."

Dr. Michael Healey of Washington State University survived a mild challenge from the acting-reeve, but was permitted to give his considered opinion resulting from an intensive study of the Brentwood Bay conditions.

A member of the Department of Oceanography, Dr. Healey described the Bay as a true fjord. "Sulphates may increase to a point where they may not be removed by ordinary flushing activity," he stated. He advised that the effluent could be toxic to the fish population, and counselled extreme caution to avoid changing "a critically balanced situation."

Dr. Alan Austin of Uvic called for an entirely new appraisal of the situation, and declared that existing systems of sewage disposal are relatively primitive. He said that modern research tends to the conclusion that some sort of land based system is adequate in areas of limited population, and advised a continuance with septic tanks for the time being.

His submission prompted remarks by the Director. "Since septic tanks have been introduced, a survey of those in B.C. has shown that 50 per cent do not work. In the original concept the average amount of water discharged by a household was 50 gallons. Today the same type of system is asked to deal with from 200 to 300 gallons and the result is very rapid soil failure," said Mr. Keenan.

Further objections in briefs from the Community Planning Association of Canada, Capital City Branch and Portage Inlet and Gorge Waters Society were presented by James Gorst. It was submitted for the former body that Saanich Inlet is a regional matter rather than a local problem, and the proposed in-

## District Scout Set For World Jamboree

On hand to wish Queen Scout Frank Smith (second from right) best wishes in his trip to the Scout Jamboree are (left to right) Glen Fell, chairman of the finance committee for the group, Doug Jack, Rover and Venturer leader, and Mrs. Kay Marshall, president of the Ladies' Auxiliary.

Frank Smith, 15-year-old son of Mr. and Mrs. Watson Smith of 10859 Madrona Drive, is to attend the World Scout Jamboree this year in Idaho. A Queen Scout, he is one of 16 scouts representing Victoria region.

The world jamboree is scheduled for July 30 to August 10, and 15,000 scouts are expected from around the world. Over 100 countries will be represented.

Frank was presented with two cheques totalling \$70 at a special meeting of the Venturer scouts June 1 at St. John's Hall, Deep Cove. One was from the First Tsartlip Group Committee and the other cheque was from the Ladies' Auxiliary. He also received best wishes from special guests Honorary Asst. Regional Commissioner Hamer and District Scout Commissioner P. Wilkinson.

stallation should be allowed only if there is an immediate health hazard and there is no alternative. The possibility that other authorities having access to Saanich Inlet waters might follow the example of Central Saanich and dump effluent from Mill Bay and elsewhere was viewed with alarm.

"Central Saanich cannot in any way guarantee that their heirs will be able to carry out the plan that sewage will be taken elsewhere when the population reaches 4,000," said Mr. Gorst.

In his concluding remarks, Mr. Potter referred to "raw sewage from boats and marinas and septic tanks effluent now polluting the waters."

"We are not talking of polluting the Bay, but preventing it," he remarked.

He added, "Reeve Lee was approached by the Indian Department regarding the possibility of taking in 40 homes of the Indian Reserve. Mr. Paul should keep this in mind."

Referring to the proposed subdivision on 80 acres between Wallace Drive and Benvenuto Avenue, he said it certainly could not materialize without a sewer installation. He stated also in reply to a suggestion that no high-rise developments are provided for in the Brentwood sewer area.

## BRENTWOOD

Miss Frances Morgan of 975 Verdier Avenue has left for a three month's student study and work exchange program visit to Germany, sponsored by the German government. Following a three day tour of Berlin, Frances will work in Germany for the months of June and July, and will spend the month of August travelling in Europe before returning home to resume her studies at the University of Victoria. Other University students availing themselves of this opportunity for travel were Miss Karen Silgertier and Stephen Blackburn of Saanichton.

Friends of Chris Paul of the West Saanich Road will be pleased to hear that he has returned home after being a patient at Rest Haven Hospital.

Dr. A.Q. McCormick of Vancouver spent the weekend at the home of Mr. and Mrs. P. McCormick, Hagan Road. Dr. McCormick has just returned from London, England, where he did 16 months research in eye diseases and prevention of blindness.

## Colorful Ceremony As Guides' Flag Retired

A colorful ceremony took place in St. Stephen's Anglican Church, Mount Newton Cross Road, when the color of the Brentwood Guides was retired, having been replaced by the new Maple Leaf flag. The color, a Union Jack, had been dedicated in St. Stephen's Church in 1925, when it was presented to the original Guide Company by the Gale family of Mount Newton, Mrs. Gale being the first Commissioner, and her daughters, Miss Myrtle Gale and Miss Lois Gale being Captain and Lieutenant respectively; the other lieutenant being Miss Shelagh Parr.

Entering the church at the head of the large company of Guides and Brownies, the flag was carried by color bearer Judy Martin, with escorts Claudia Creed and Ann Scholefield. The flag was then presented to Rev. O.L. Foster by Judy Martin, who requested that it be laid up in the church. Mr. Foster accepted the flag and later explained that it would be hung from the south wall. Two hymns were sung during the service, "Fight the Good Fight" and "O Master, let me walk with thee," in addition to O Canada and God Save the Queen, the organist being Miss Margaret Brown, a former member of the company.

ent. Mrs. D. Humphreys, president of the L.A., then thanked the mothers for all their help over the year, and thanked the leaders for their untiring efforts with both Brownies and Guides. Mrs. Beaumont thanked Rev. O.L. Foster for his part in making the ceremony at the church so beautiful.

The program was then turned over to Mrs. Wm. Reith, Camp Commissioner, who asked Brownie Eileen Walters to present the farewell gift to retiring Brown Owl Mrs. Howard and retiring Tawny Owl Mrs. Armstrong. On behalf of the Guides, Mrs. Reith presented a gift to Captain Mrs. Beaumont, whose untiring efforts during the past year culminated in the Brentwood Guides coming second in competition for the Woodward Shield. Mrs. Rosemary Walters, who will be the new Brown Owl, and who has been working with the Brownies over the year, was presented with a gift on behalf of the Brownies by Mrs. Reith.

Mrs. Beaumont then introduced Lieutenant-Commander Bowditch, thanking him heartily on behalf of the Guides for his training in precision marching, which won them so high a place in the Shield competition. She presented him with a gift on behalf of the Guides.

Gifts were presented to Mrs. Robt. Scholefield and Mrs. E.F. Martin of the mothers' group for outstanding service over the years. Presentations were made to Judy Martin and Ann Scholefield, retiring Company Leaders, and a special presentation was made to the present Company Leader, Claudia Creed, for her untiring efforts for the Company. Judy Martin made the presentation of a gift to Mrs. Beaumont on behalf of the Guides; and Laurie Scholefield was presented with a special prize for her

## Symphony Lays

## Plans For Season

Victoria Symphony Society season ticket holders are advised that their present concert seats will be held for them until the beginning of September unless word is received to the contrary. Box office for the coming season at Eaton's in Victoria will be open June 12 for two weeks and intending patrons are urged to reserve their seats early.

Program for the 1967-68 symphony season has been arranged by the Board and the new conductor, Laslo Gati, and there is every indication that it will be the most outstanding in the history of the Society.

Ten pairs of symphony concerts have been arranged for the Royal Theatre, six in the Gala and four in the Masterwork series, and Sidney will again be favored with a series of concerts commencing in October.

cheerful and willing service at all times.

The Brownies then did an attractive International Dance, dressed as Brownies from other lands, and will wear their costumes once more, as they will be on a float in the Sidney Day Parade.

The Guides then gave their exhibition of precision marching, lead by Company Leader Claudia Creed.

The Brownies then delighted all present with their action song "Christopher Robin is Saying his Prayers", followed by "Taps", in which all joined in. Refreshments were served by the Guides.

## Veterans' Week

There are approximately 975,000 veterans of Canada's wars living today. And there is probably a higher concentration of these ex-servicemen in this district than in any other part of Canada. By proclamation, the period from Sunday, June 11, to Saturday, June 17, has been declared Veterans' Week --- and a busy program of events to celebrate the occasion has been arranged across Canada.

It is fitting that during Centennial Year we should honor the men and women who, by their sacrifices in times of war, and their good citizenship in times of peace, have played a major part in building the Canada we know today.

Both major ex-servicemen's organizations operate clubrooms in this area. Each has contributed to the welfare of its members and the community as a whole. Each will take an active part during the week's activities.

As we pay tribute to the veterans who live, there will be a special thought for those who died -- more than 112,000 who made the greatest sacrifice of all and are buried in 70 cemeteries throughout the world.

National Veterans' Week, by strange co-incidence, falls during a period of world history when the war drums are again sounding ominously. All responsible citizens will devoutly hope that these martial sounds do not presage a vast increase in the numbers of Canadian ex-servicemen.

## Family Fun Day

"June is bustin' out all over," the flowers are blooming and the fruits are maturing. The sun approaches its zenith and all of Nature calls to the open air and a renewal of our inner resources.

Although international conflict and a gloomy foreboding may cloud the distant heavens and cast bewildering shadows to our deep concern, we should not therefore neglect to take every advantage of the delights of this happy season as the opportunity offers.

A day in the open air is a tonic not to be despised in the genial month of June. This coming Saturday the grounds of North and South Saanich Agricultural Society will be thrown open for a Family Fun Day with the attraction of all the fun of the fair.

The seasonable event we trust will be supported by young and old from far and near. A continuous program of entertainment is promised, and the profits will enable the venerable Society to effect still further improvements to the buildings and ground facilities before the annual fair at the Labour Day week-end.

## Letters To The Editor

### INACCOMMODATION

What a curse it is to be burdened with children when one tries to "rent" in or around the town of Sidney.

We thought we would like to make this quiet haven our home but after meeting various landlords in the past four months we have been forced to conclude that Sidney is "not our cup of tea".

One sees the "For Rent" sign all too infrequently, and when one rushes to inquire, finds that children aren't wanted. Is it possible that these quiet, dignified peers of the community could ever have been children themselves or ever have raised a family of their own?

Well, for what it's worth, that's how we feel. No doubt there have been misdeeds done in homes that have been rented. However, why should the bad apple that's in every barrel spoil the rest?

MRS. R. MACLAURIN,  
Box 67,  
Sidney, B.C.

### HE WAS PLEASED

I find myself quite unable to resist commenting on "Win's End," by Windsor. Usually Mr. Windsor's articles are excellent. But in the issue of May 31 he really excelled himself. His references to his efforts at carpentry are not only hilarious, but they are so almost identical to my own efforts that his words made me laugh hysterically.

Such writings as John Wind-

son's are one of the features that make The Review a lot more than the proverbial "local rag".

Many people realize that the day of the large dailies is nearing its end. Dailies in London and New York city are either closing, amalgamating with others, or just going broke. The effect of such people as Lord Thomson will be interesting to see. Presumably TV and radio are the chief causes. However, neither radio or TV can have any effect on the smaller local paper.

For this many of us are gratified. We are happy to realize that our local paper is likely to continue to be a source of pleasure and interest.

G.R.L. WARREN  
Sidney, B.C.  
June 1, 1967

## Kinsmen Elect New Executive

Harold Baldwin is the president-elect of Sidney Kinsmen. Mr. Baldwin was elected at a recent Kinsmen meeting and takes office when the service club's meetings are continued in September.

Others elected to the executive include Len Bland, vice-president, Ray Bowcott, treasurer, Hugh Bollinworth, secretary, and Ron Gardner, registrar.

New directors are Dennis Bowcott, Al Knudsen, and Terry McKillop. Bulletin editor is Dennis Whyte.

Maxine Thomas, left, chats with George Clutesi, author of the latest book published by Gray Campbell, centre. This picture

## Former Sidney Princess Hired By Indian Council

Maxine Thomas, 20, has been hired as private secretary to Harold Cardinal, president of the American Indian Youth Council.

Miss Thomas, a resident of the West Saanich Reserve at Brentwood, has been an employee of the Provincial Government Motor Vehicle Branch in Victoria. She was a Sidney Princess in 1965-66.

She left for Ottawa June 3. Before leaving she received a personally autographed copy of Son of Raven, Son of Deer, by George Clutesi, a noted Indian painter from Alberni. The book is to be released by Gray's Publishing of Sidney June 10.

In her new position, Miss Thomas will be travelling with the president to organize regional branches of the council in Canada, the United States and Mexico.

The council was set up in 1966 with funds donated by corporations, large businesses and societies. It was formed to organize Indian youth towards unity and understanding and to broaden the outlook of Indian youth today.

Last month Miss Thomas was one of the girls invited to the Debutante Ball in Nanaimo.

## NEW MEMBERS JOIN LEGION

### By LEGIONNAIRE

A regular meeting of the Gulf Islands Branch No. 84, Royal Canadian Legion, was held at Saturna Island on Wednesday, May 31. Comrade W. Warlow, President, was in the chair, and there was a fair attendance of members.

The usual Silence period was observed in honour of our fallen and departed Comrades.

There were two new applications for membership, from A. Fournier, a veteran of the First War, and J.S. Anderson, who served in the Second War. Both applications were approved by the meeting, and as both were present, they were initiated following election.

Discussion then turned to the observance of Veterans' Week. After discussion it was decided that the branch hold a Church Parade at Saturna at 1400 hours on Sunday, June 11. This will enable Mayne and Galliano members to travel by government ferry. This service will be open to the general public, who are cordially invited, and will be conducted by Comrade the Rev. J. Dangorfield, one of the branch Chaplains. Decorations and medals will be worn by all veterans on this parade. A special invitation is also given to members of the Pender Island branch, if they have no conflicting celebration on that day.

The meeting then went into committee, to discuss changes to the branch by-laws, which are quite out-of-date, having had no revision since 1958. Most of the changes were necessitated by the recent issue of the new Dominion by-laws. All the alterations were approved by the branch.

On behalf of all members, the secretary thanked the Saturna ladies who so kindly, meeting after meeting, look after refreshments.

The next meeting will be held in late July. We ask all veterans to make a special note of Veterans' week, which has been proclaimed by act of Parliament, and to be on the Church Parade if at all possible.

was taken before Miss Thomas left for her new position in Ottawa.

## Sidney Rock Club Holds May Meeting

Regular monthly meeting of the Sidney Rock Club was held on Thursday evening in St. Andrews Hall, with a good attendance of members and one young guest. The president, Chet Miller, opened the meeting.

Routine business was disposed of and Mrs. Doran gave a report re the library displays. The case of crystals, which had proved of interest to the young people, was being replaced this week with a showing of minerals. The cases for the Saanich Fair were discussed, the preliminary details were attended to and Mrs. Doran asked that the members "get busy" with some new entries for the club cases.

Mr. and Mrs. Fred Tanton were representatives to the annual meeting of the B.C. Federation held over the holiday weekend in Kamloops. Fred gave an interesting synopsis of the business transacted there, of work that has been accomplished in the past and of the hopes and ambitions of the Federation for a more extensive branching out in the future.

He met many members from Island Clubs there, and enjoyed the fellowship of mainland Clubs. Mr. Tanton was the winner of one of the prizes, a rock hammer and chisel, that was drawn

for while he was there, and brought it along to exhibit.

It was decided that the June meeting would take the form of a smorgasbord supper, and Mrs. Carrie Ward was appointed to act as convener. Everyone is to be seated at 7:30. A short business meeting will follow, and the program committee will show slides of the Petrified Forest National monument in Arizona.

The door prize, which was donated by Mrs. Doreen Miller, was won by Mrs. Bert Ward, the lucky ticket being selected by the young guest, Ross Aldrich.

The remainder of the evening was given over to Mr. and Mrs. Chet Miller, who, illustrated by slides, clearly and efficiently, the making of "Cabishons by Steps."

They were assisted in the dialogue production by Don and Lee Kendall of the Taulatin Valley Club, Oregon. This was a very fine piece of work and the Millers were congratulated by the club members.

Refreshments were then served and the members took time out to view the spoils brought back by the Millers from their holiday trip through Washington and Oregon; there were some fine samples of Obsidian, Petrified wood and agate.

## Confirmation Service Impressive At Fulford

Bishop Michael Coleman of Pender Island, was over to take the Confirmation service on Wednesday at St. Mary's Church. It was an impressive ceremony, the combined Choir (Ganges and Fulford) sang the hymns with the congregation.

Mrs. A.G. House was organist and Ven. Archdeacon Horsfield assisted the Bishop throughout.

Candidates for confirmation were Margot Irene Townley, Susan Carol Townley, Carrie Louise Cunningham, Alice Kellogg Thompson, Heather Anne McManus and Janis Laura Smith.

The Church was lovely with

fresh flowers and the candidates just as lovely in their white veils.

But there was no little mouse to fall into the scene and cause a commotion as did one unfortunate baby mouse in 1961.

That was when His Grace Archbishop Sexton was over - (he could not come this time as he was not well, hence the presence of Bishop Coleman to take His Grace's place.)

But it all went off well and Dr. Horsfield expressed his thanks to Bishop Coleman who had gone to considerable trouble to be present.

## Everything Arranged

I'd planned to do a lot of work  
When summertime was here,  
I'd tackle all those little jobs  
That I'd put off all year --  
I'd patch the kitchen ceiling  
And fix the faucet's drip,  
And replace that broken window,  
And put down some weatherstrip --  
I'd build that fancy barbecue  
And do lots of other chores --  
For it's really not unpleasant  
When you're working out of doors --  
So now I'm set and ready  
To mix up that cement  
And then -- Great Scott! What happened?  
Where has the summer went??  
B.BOND

The word "Saanich" comes from an Indian word meaning "fertile soil".

A recent survey disclosed 3 of every 10 farmers worked 100 or more days each year off the farm in part-time endeavors.

## RECONSTRUCTION IS AUTHORIZED FOR MAYNE

A regular meeting of the Mayne Island Ratepayers Association was held in the Agricultural Hall, Mayne Island on Saturday May 27. President, Fred Flick, was in the chair, and there was a fair attendance of members.

The roads committee gave a comprehensive account of matters connected with the island's highways that have occurred since the last meeting. The committee had visited the area office at Nanaimo, and had discussed in considerable detail current and contemplated road work with Mr. Morris, the area supervisor. As a direct result of this meeting a grant of \$3500 had been made to the island to complete the reconstruction of the road to Horton Bay in the vicinity of the Robson farm. This road has been straightened and widened, and now awaits the arrival of crews to remove hydro and telephone poles, to new locations.

They informed the meeting that the usual amount of black-top would be available, and would in all probability be used largely on the Gallagher Bay Road, which is the arterial road nearest completion. They also informed the meeting that a plan is being discussed whereby the amount of machinery in the Gulf Islands area is to be doubled, and Gal-

iano-Mayne will become a separate unit, as will Pender-Saturna. There should be a good supply of oil available, so, should residents who think their own area needs oil to prevent a dust problem, please inform the roads sub-committee.

The ferry schedule came in for some adverse criticism. Part of this concerns the people who actually run the ferries, and part was directed against the inter-islands committee. For some time now, Mayne has been trying to obtain one or two small changes such as a direct trip to Swartz Bay on one day a week. This resolution has always been turned down by the inter-islands committee, apparently largely on the grounds that it would cause some alteration in their schedule. By resolution it was decided to bring up this matter at the next inter-islands council meeting, and, if no satisfaction could be obtained at that meeting, Mayne Island would withdraw and take up its own affairs directly with ferry officials.

Much dissatisfaction was also expressed with the board of school trustees for calling for a plebiscite and referendum on a money by-law on a Friday. . . in this case June 16. The choosing of such a date disenfranchises a large percentage of the

tax payers on Mayne Island, and this is also applicable to all other islands that make up School District 64. The secretary was instructed to write the school board, giving the resolution, and to try to obtain either an advance poll for those who would be here Saturday, but who not possibly be here before the closing hour of the poll (7:00 p.m.) on Friday.

Mention was also made of the new hospital district arrangements being brought in by the provincial government. The local trustee informed the meeting that the sole information he had to date was the islands were to be included in the Victoria area, which would mean that island taxes would rise by about four mills. Whether residents obtain a better hospital service remains to be seen. He said that he would probably have better information after the June meeting of the trustees.

The next meeting, the annual general meeting, will be held in the Hall on Saturday, June 24 at 8 p.m.

## MAYNE

Mr. Jim Clarke has returned to his Bennett Bay home after a two month's stay in England. He reports he travelled by plane, train, bus, car and shanks pony which sounds like the method used by H.V. Morton in his "In Search of England."

George and Ivy Sinn, Sunshine Cove, have returned after a trip to Kamloops where they visited their daughter and son-in-law, Mr. and Mrs. Don Ferguson and grandchildren Roy, Bob, David and Douglas. They went via the Fraser Canyon and returned by the Hope-Princeton Highway. Ivy says the scenery was just grand with everything so lovely and green.

Honeymooning at Comfort Cottage are newweds Mr. and Mrs. Jack Currie of Vancouver. They were married at Kitchener, Ont. Congratulations Jack and Karen. Over for the day with the Alan Cheeks, Robert and Gillian at "Tanglefoot" were Mrs. Cheek's parents Mr. and Mrs. J.W. Bowen of Hastings, Sussex, England. They came by jet and plan to spend several months in Canada, returning by the liner, Canberra.

Mr. and Mrs. H. Wilson of West Vancouver have spent the week end with daughter and son-in-law, Ted and Margaret Hopkins of the Trading Post. Recently returned from England on a buying trip, Mrs. Wilson enjoyed a well earned rest. The Wilsons own The Kensington Shop in West Vancouver.

Mrs. Meg Drummond of "Random House", Fernhill Road has been confined to bed for a couple of weeks but is making satisfactory progress. We wish her a speedy recovery.

# THE GULF ISLANDS

## GALIANO

Mr. and Mrs. Bud Day and Miss Mary Day spent several days in Victoria last week, where they attended the Swiftsure Races.

Capt. and Mrs. I.G. Denroche and Stanley Page visited M.H. Walker at Salt Spring Island, where he is in hospital.

Mrs. Glen Rycroft and small daughter, Lori, of Prince George came down for a holiday with Mrs. Rycroft's parents, Mr. and Mrs. F.E. Robson. Lori spent a week with her grandparents while her mother was in Vancouver for several days.

The newly-formed ladies group on Galiano held a successful rummage sale in Galiano Hall recently, under the leadership of Mrs. I.A. Murphy, with a large group of ladies assisting. The sale realised more than \$140.

John D. Tisdalle, M.L.A., and his wife, were recent guests at Galiano Lodge for a tea one day last week. Quite a large crowd attended, and many questions answered and discussed by the people and their interested member of the legislature.

## GALIANO SPRING TEA

On Saturday, May 27, Galiano Hall took on the appearance of a spring garden, flowers were massed all over the Hall, to form a fitting backdrop for the spring tea held there.

The tea was arranged by the Hall Club, Mrs. F.E. Robson, president, and all of the members participated to make this a most successful afternoon. Proceeds went towards the New Floor Fund, which seems to be growing daily.

Pouring tea were the wives of the male members of the committee; Mrs. W.J. Kolosoff, Mrs. G.W. Georgeson, Mrs. T.A. Carter and Mrs. Harvey Campbell. Guest speaker P.G. James, assistant horticulturist for the Gulf Islands, from Salt Spring Island, brought his wife along, too. Mr. James gave a most interesting talk on garden vegetables, flowers, and problems of gardeners in the Gulf Islands. He kindly gave about 30 roots of a grape that he grows successfully on Salt Spring to the delighted guests.

Mr. James answered questions and he has so much to tell Islanders that he offered to come back another day and show slides and talk more to the gathering of people who were so concerned with garden problems.

Mrs. Robson thanked Mr. James for coming over to Galiano for this day, and said we will all look forward to another visit soon.

## Historical Association Elects New President

After four years as provincial president, Donald New, Galiano, was succeeded by Mrs. Mabel Jordan, East Kootenay, when the B.C. Historical Association held its annual meeting at Williams Lake, Saturday, May 27.

Some 50 members from the East and West Kootenays, Vancouver, Victoria, Nanaimo and the Gulf Islands branches, enjoyed cattle country hospitality from Wednesday to Sunday, when royally entertained by the Williams Lake enthusiasts, headed by Mr. and Mrs. C. Douglas Stevenson. Though not yet organized into a branch, the group is keen on western history, especially the Cariboo brand.

Led by Doug Stevenson's red Chev Caprice, a cavalcade of cars visited Quesnel and Barkerville on Wednesday. On Thursday they drove to Likely, where Capt. Evans-Atkinson showed placer and hydraulic mining sites of 1865 and the giant trees in Cedar Point Park. Later they watched a roundup of Hereford cows and calves at the Mountain House Ranch owned by Californian Ken Petersen.

The Friday safari included Bill and Beryl Stafford's Chimney Creek Ranch, over 5,000 acres, 150 under irrigation, where they have 200 purebred Herefords. The log house, oldest in the area, was built by Isardry in 1862, and combined stoppinghouse, saloon, dance area and post office.

After lunch at Canyon View Ranch, high above the Fraser, the cars crossed the Chilcotin Bridge and later headed over the open rangeland of Deer Park Ranch, owned by the Moons since 1903, where R.A. (Pudge) Moon put on a calf branding exhibition.

A preview of Gwen Ringwood's Centennial play "The Road North" honoring Billy Barker, with score by conductor Art Rosoman, choreography by Carita Jones and narration by Anne Mackenzie Stevenson, entertained the guests with its lively acting and lilting music.

The president's address on Saturday dealt with the schooner Casco which, in her lifetime was the most luxurious and fastest sailing ships on the coast. Built in San Francisco in 1878 she was wrecked in the Bering Strait in 1919. In 1888 she became Robert Louis Stevenson's "Silver Ship" when he sailed her from the Golden Gate to the South Seas.

In 1915 the Casco was in the care of Sea Scouts, with Vancouver as headquarters. Mr. New, as assistant Scout Master, made his home aboard, as caretaker for a time. During a freeze-over of the Fraser, she was saved from imminent danger of being carried away when the river ice broke up, by the skilful management of the Scout troop.

The final festivity was a smorgasbord for some 80 guests, including Mayor Gardner, at the Clinton Motel. Chairman New introduced the Hon. Robert Bonner, Q.C., M.L.A. for the Cariboo, who spoke on the early presence of Scandinavians in the east, and the Spanish holding of Nootka. Also of how historic discoveries are often based on archaeological findings, rather than on recorded history.

As well as Mrs. Jordan, president, the new committee consists of Robin Brammhall, 1st vice-president; Gordon Bowes, 2nd vice-president; Phil Yandle, secretary-editor and Mrs. Bowes, treasurer, all of Vancouver. Twenty-six members attended from Victoria, Nanaimo and the Gulf Islands.

## Harbour House Hosts Many Weekend Guests

A tennis tournament was held at Harbour House, Ganges, over the holiday weekend with many players from Victoria and Vancouver taking part.

Winners of the men's doubles were Frank Holmes and Henry Krivenack, Vancouver, who defeated George McMinn and Ted Smythe of Victoria, in the finals.

Guests enjoying the holiday week-end at Harbour House were the following: from Victoria Mr. and Mrs. A.N. Patterson, Mrs. M. Dewdney, Miss Joan Griffiths, Miss M. Skellern, Mrs. Barbara Baker, Mrs. Irene Hick, Mr. George McMinn, Miss Wendy Harris, Miss Janet Chapman, Mr. Ted Smythe, Mr. E. Cockayne, Mrs. Elsie Radford, Mrs. D. Sudlow, Mr. and Mrs. W. Lindsay, Mr. Col. Hicks, and Miss Dorothy Luten; Mr. Harry Harwood, Mr. Ernie Milgram, Mr. Frank Holmes, Miss Irene Robinson, Mr. and Mrs. E.L. Moxon, Mr. and Mrs. D.K. Forman, and Mr. and Mrs. G.W. McGavin all from Vancouver; Mr. and Mrs. John Frandland, Langley; Miss Hazel Frandland, Ladysmith; Miss Paula McNulty, Shawinigan Lake; Mr. and Mrs. Tim Nicholson, Alberni.

CENTENNIAL MEMO - A man rendered insane by illness killed himself with a pocketknife at Barkerville June 1, 1865. He was identified as John A. Fraser, son of Simon Fraser after whom the river was named.

## Wedding Bells At St. Peter's On Pender Isle

On May 21, at St. Peter's Church, Bishop M.E. Coleman officiated at the marriage of Tanis Gwendolyn Stevens, daughter of Mr. and Mrs. G.B. Stevens, who became the bride of Michael Bruce Bapty, son of Mr. and Mrs. Harry Bapty of Prince Rupert.

The many visitors from the lower mainland and Victoria saw Pender at its most delightful season.

The church had been beautifully decorated in blue, pink and white, to compliment the dresses of bridesmaids and flower-girls. Mrs. P.H. Grimmer, Mrs. R.G. Straker, and Mrs. Roy Beech and Mrs. James Anderson had prepared the decor. The bridesmaid was Miss Louise Zaroway of Vancouver, and the flower-girl Holly Bolton, who carried a basket of daisies, from North Vancouver.

After the ceremony, the guests were piped down the road by two pipers from the Canadian Scottish Princess Pat's regiment to the hall, which had been decorated by Mrs. C. Claxton and others for the affair. A specially decorated wedding cake by Miss Joan Purchase centered the long table, and after the reception, the guests took their places at the decorated tables.

Amongst the guests were the bride's uncle and aunt, Mr. and Mrs. R.R. Stevens with David. R.R. Stevens proposed the toast to the bride. Also present, Dr. Bapty, the groom's godfather,

Mr. and Mrs. H. Bapty from Prince Rupert, Dr. and Mrs. W. Newton of Sidney, Dr. and Mrs. Taylor from Victoria and others. Large numbers had travelled from the lower mainland, and Vancouver Island to participate in the memorable affair.

## Out-Of-Doors Prayer Service Set For Pender

On Sunday, June 11, at 3 p.m. on the golf course by the fourth hole, it has been arranged that there will be an open-air service of thanksgiving.

The sermon will be preached by the Rev. E.W. MacQuarrie, of Ganges, and Bishop M.E. Coleman will conduct the proceedings. The collection, after expenses will be given to the Centennial Projects of the Pender Islands.

If it should rain, the meeting will be held in the Hall at Port Washington.

Parking lot tickets are delivered by machine after the motorist parks his car in the new 900-unit underground parking lot under a castle in Karlsruhe, Germany, the B.C. Automobile Association reports. The underground lot was built in a way that did not disturb the landscaping of the castle grounds.

## KELLY'S CORNER

★ ★ ★  
On The Island Of Saturna

By AVRIEL KELLY

Well it was Sports Day for the school children of Saturna on the 19th of this month and I must say they did very well.

Every child received at least one of the Centennial Athletic Achievement Awards; nine silver crests were given out and out of the 21 children competing, that's a very good proportion. Five children received bronze crests and seven received the red crest for at least trying. The events consisted of sit-ups, 300 yard dash, the Cross Country run, and the standing broad jump.

The following youngsters were the silver crest winners and should be given a standing ovation: Tracey Duncan, Diane Davidson, Danny Lawson, Sharon Kerpan, Vicki Kerpan, Mike Kerpan (I thought their Father's buttons were going to burst!) Debra McDonald, Janice Dixon and Betsy Elliot.

There was a program before the sports events started. Rev. Dangerfield gave a talk on the responsibilities of citizenship, and our School Board Trustee, James Campbell, presented Centennial medals to all the school children.

After the stunning combination of pooped-out participants and proud parents, refreshments were served. We have to thank Mrs. Lorraine Campbell and Mrs. Mary Toynbee for the preparation that went into all the goodies they served. It was just the right note to round out what had been a most enjoyable afternoon!

As if this wasn't enough excitement the school children went over to Ganges to see the Centennial Caravan last Wednesday and I think the boat trip there and back with their own spending money was at least part of the thrill.

They visited the school with a tour through the rooms, and Ricky reported that in one room alone, they did nothing but art work! Imagine that! They also went through the high school where some of their older brothers and sisters attend. The senior classes were even allowed to visit the dorms. All in all,

it was a pretty exciting day for them.

This year the Annual Sports Day and Spelling Bee for Galiano, Mayne, Pender, and Saturna will be held on June 2 and will be at Galiano. Parents can attend this if they wish and I'm looking forward to it, baby, diaper bag, bottle and all! First we'll go by launch to Hope Bay, then by car to Otter Bay, then by Queen of Mayne ferry to Montague Harbor, then by car to Galiano school. Whew! I think it's easier to get to China, somehow!

Then on the 28th of June, we have the Annual Awards Day. June sure enough is an exciting month on Saturna, except of course for the big barbecue we hold on the first of July, and if you've never been to that, well, you just haven't been living! You know that song, "We are poor little lambs who have lost our way, etc." Well, we found them here on Saturna and that's how it all began. Well, not really, as a matter of fact, we're going to tell you the story of that very soon, and it's quite interesting.

# WIT'S END

By WINDSOR

If you want to separate the men from the boys, just suggest a few days camping in Nature's great outdoors. The boys actually like it.

For years I have held a monopoly in our family circle, on tall tales of camp adventures. As the years have gone by, the stories have become taller and taller, so that times I scarcely recognize them myself. Despite these sagas though, I am really no camper. Maybe once I enjoyed it, when I was young and foolish, but for a long time now the thought of trying to sleep on a bed of rocks and roots, of trying to wash in ice cold water, and trying to eat burnt offerings produced over a smokey wood fire, has done absolutely nothing for me, therefore I have carefully confined myself to the pleasures of reminiscing, about former exploits, but now I have even lost my monopoly in this field.

A couple of weeks ago my son went off to his first camp. It was the big Scout Jamboree down at Albert Head, where some 800 boys from British Columbia and Washington state assembled for a weekend of Scout type fun. Since his return I can scarcely get a word in edgewise, when it comes to camp talk.

Even before he left, there was some disagreement between the generations. My wife and I laid out what we considered were the absolute essentials for the well dressed boy in the bush, which made a pile large enough to nicely fill a couple of average sized suitcases.

Instead of being delighted by this parental assistance, Stephen seemed less than appreciative. "We're only supposed to take along a knapsack and a bedroll," he explained patiently. "I don't need a lot of junk like clean clothes and sweaters and towels and soap and toothpaste and a face flannel. I bet none of the other guys will be taking them."

After a considerable amount of discussion we reached a compromise which filled his knapsack with the bare essentials, plus his share of the food for the weekend. They were going to cook their own meals, real

camp fire style, and the boys themselves had worked out what each should bring. Our contribution was set at a pound of bacon, three bananas, three apples, three onions, and a bottle of ketchup, which seemed rather slim rations for two days, but we crossed our fingers and hoped.

The Brentwood troop got away on Friday evening, along with Scoutmaster Anderson and Akilla Apps, and as soon as they reached Albert Head they encountered their first problem, finding where, in a forest of tents, theirs was meant to go.

"What a hike," we were told afterwards. "We loaded down with all our gear and two tents, and we had to haul them at least a couple of miles." Now I suspect, from my own experience, that the actual distance covered was probably a quarter of a mile, but two miles is a good start for a good story. Given another five years and it will probably be up to 10.

From then on, we were told, they were really kept busy. Tents had to be pitched, and they don't always go up as easily as one would think, though I refuse to believe that it took all that many hours to pitch two of them. Then there was water to be hauled, fires to be kept going, and meals to be cooked. In between, the Scout authorities had a full program of cross country running, archery, rope bridge work, and demonstrations. One, that 800 young fellows thought worth walking a mile or so to see, was the navy putting on demolition display with real T.N.T. "Oh Boy, what a bang!"

I understand that at these affairs, Scouts always swap equipment, and the American lads, with an entirely different uniform, had a field day. One swapped everything, except for his pants. No doubt some American parent is going to be very happy at having to replace an entire uniform.

Sunday night they were all back, tired, dirty, and with the odd scorched finger. "How did the cooking go?" I asked.

"Oh, it was OK, for a while, but I never want to see another bean as long as I live."

## New Marina On Pender

A further step in the process of Pender Island development, the protected Marina at Brown's Harbour, is now under way.

A well-attended meeting on Friday, June 2, under the chairmanship of Mr. Borthwick, Inspector of Government Lands in Victoria, supported by Mr. Anderson from the Victoria Health Dept., was open to the public, and all present were encouraged to ask questions or offer suggestions, or otherwise state their views.

After a short adjournment for lunch, they re-convened at 2:30 p.m., and Mrs. C. Swartz was eloquent in regretting the loss

of the peace and quiet of early years, before electricity and the inevitable increase of Island population, either permanent or as sporadic summer guests. Her sister, Mrs. Eve Smith, strongly supported her contention.

It was pointed out, by Paul Dennis and others, that the project has been most thoroughly investigated, and that future visiting vessels will be under supervision to conduct and control their disposal of garbage and refuse that there will be no pollution.

Also, it became clear that, should the development have been refused, Mr. Dennis would have been obliged to sub-divide and sell the acreage which he has purchased for the Marina in small lots, and that this would have precluded ingress to the beach. As it will be, it is planned to open on July 1, and there will be an open roadway and path to the beach. Cars will be parked in a specified area. Property values will increase, and no further annoyance from garbage dumping should occur. Therefore, foreshore rights were accorded to Paul Dennis, and the meeting was adjourned.

## Mrs. Sylvester Taken By Death

Mrs. Catherine Sylvester died in her 38th year May 31 at Vancouver General Hospital.

Born at Cole Bay, Mrs. Sylvester recently resided at Westholme, B.C. She is survived by husband Arnold, sons Arnold, Johnie, Charles and Frank, and daughters Arlene, Yvonne and Phyllis, of Westholme, her mother, Mrs. Hazel Henry, sisters Susan, Leona and Mary Ann Henry of Cole Bay, Mrs. Madeline Morris of Brentwood Bay and brothers Albert, Elmer, Max and Russell Henry of Cole Bay.

Prayers were offered for her in the home of her mother at Cole Bay June 4 and Mass was celebrated in Our Lady of the Assumption Church on West Saanich Road June 5. Rev. William Mudge was the celebrant.

Interment was in the Cole Bay Cemetery. Arrangements were by Sands Funeral Chapel in Sidney.

## Theodore Kastoff Dead At Age 88

Theodore Andreas Kastoff, of 9972 Third St., Sidney, died June 1 at Rest Haven hospital at the age of 88.

Born in Copenhagen, Denmark, Mr. Kastoff was a resident of Sidney for the past five years. Before that he lived in Comox.

He is survived by his wife Jean, at home, a brother and sister in Denmark and several nieces and nephews.

He served with the 54th Battalion, C.E.F. during the First World War, and was a member of the Royal Canadian Legion in Comox, and a member of the Old Age Pensioners Association in Sidney.

Funeral services for Mr. Kastoff were held in Sands Funeral Chapel of Roses in Sidney June 3 with Rev. O.L. Foster officiating. Cremation followed.

Gabor Verebele, formerly of Hungary, who lives now in Brantford, Ont., visited the Island last week where he saw some of his old friends. Some eight years ago, Mr. Verebele and his family lived in the old Akerman house. His children will be remembered for they attended the School at Ganges. The two boys, Gabor and Thomas and their sister Melinda, are all doing well, says their father.

Thomas has been accepted to attend the University of Toronto, and was valedictorian for his graduating class.

Mr. Verebele wished to be remembered to all the friends they met and knew on Salt Spring Island.

Burgoyne Bay U.C.W. are having their annual tea and sale of home cooking etc., at the home of Mrs. A.G. House on June 17.

On June 8, the W.I. meet at the home of Mrs. Low on Isabella Point Road at 2 p.m.

Home for the week end from Vancouver was Miss Ronda Leo, who has just returned from a recent visit to Canlin Lake where she was the guest of Mr. and Mrs. Peter Nadlin.

## New Zealand Ladies Entertained Locally

President Mrs. H.F. Young, accompanied by Mrs. C. Essery and Mrs. J. Bryce, members of the South Saanich Women's Institute, attended the smorgasbord luncheon at the Colwood Institute Hall when a number of New Zealand ladies were guests of the South Vancouver Island Institutes.

Two of the ladies, Mrs. L. Robinson, Invercargill, N.Z., and Mrs. D. Wards, Gore, N.Z., accompanied the South Saanich ladies on a scenic drive later the same afternoon, arriving at the Oak Bay Marina at 6 p.m. for dinner where they were joined by fellow members, Mrs. H.C. Young, Mrs. C. Meiklejohn, Mrs. A. Doney, Mrs. A. Hafer and Mrs. L. Farrell.

Following the dinner the two carloads of ladies proceeded to the home of Mrs. A. Hafer, via various and picturesque routes through the Saanich Peninsula, for the benefit of their guests. At the home of Mrs. A. Hafer, the group was joined by two more of the South Saanich members, Miss F. Hafer and Mrs.

G. Hansen.

Mr. A. Hafer showed some lovely slides of various places in B.C. and also some slides which the two New Zealand guests had brought with them which were greatly enjoyed by everyone.

The guests thought the country very beautiful and not unlike their own to which the local ladies agreed, after viewing the pictures of New Zealand. Mrs. Robinson was a house guest for the night at the Hafer home while Mrs. Wards spent the night at the home of Mrs. Bryce.

Saturday morning Mrs. H.F. Young drove the two guests to Butchart's Gardens and later in the day they were taken to the Swartz Bay Ferry where they joined the rest of their group and left for Vancouver. It was a wonderful experience for all, the guests were delightful and friendly - all felt a closer bond of friendship had been welded between this corner of Vancouver Island and the land from "down under."

## T.V. Comic is Zany Hero In Spooky Farce

Don Knotts, winner of three consecutive Emmy awards for his portrayal of Deputy Barney Fife in the Andy Griffith T.V. show, is seen as the world's bravest coward in the hilarious comedy "The Ghost and Mr. Chicken," showing at the Gem Theatre, Sidney, on Thursday, Friday and Saturday of this week. Fun is fast and furious as Don in his role of small town reporter seeks to solve a murder in a haunted house of horror, complete with secret passages, spooky and crooks. Joan Staley, blonde turned brunette for the picture, provides the romantic interest in this Universal Technicolor feature.

"Big Hand for the Little Lady", at the Gem Theatre on June 12, 13 and 14, is a Western without Indians. Joanne Woodward, Henry Fonda, Jason Roberts and Charles Bickford head the all-star cast.

When Meredith and Mary with their young son pass through a Western town of the 1870's on

their way to a new home in Texas, they stumble on the biggest annual poker game in the territory. The husband is a compulsive gambler and uses the homesteading cash for a fling with the cards despite the objections of his wife.

This is no ordinary gambling game and it ends in a surprisingly funny situation. Definitely a picture to be seen from the beginning.

## FULFORD

Mrs. J. Roland came home from hospital over a week ago and is recuperating from her recent indisposition.

Mrs. O. (Violet) McClaron also returned home after a couple of days in the Lady Minto Hospital.

Pat Kyler is a patient in the Hospital and has to take things easy for a while.

Captain C.J. House recently returned home from hospital.

were left home to babysit. We trust they all returned refreshed after their holiday on the island.

Visitors to the island were Mr. and Mrs. G.S. Robinson of Vancouver who spent a day driving around looking over the property situation.

We are pleased to report that Scott Hopkins, son of Ted and Margaret Hopkins of Hopkins Trading Post, has won high honors at the track meet held at University School at Victoria. He broke the existing record for 14 years and under for the 440 yard dash and won the Bronze Medal.

John Dodds is proving to be quite an expert as a short order cook at the Center Island Coffee Shop. We are hearing high praise of his ability and feel he should be complimented on a job well done. Keep up the good work John.

Mr. and Mrs. Tommy Thompson from Sadlers Cottage, Nainfield, Sussex, are visiting Mr. and Mrs. A.E. Donaghey, Gallagher Bay, and plan to stay about 10 days. The Thompsons will spend part of their holiday on Vancouver Island and also plan to visit Expo 67.

## Graduates Of The University Of Victoria

**ROBERT WEDD**

A former student at Deep Cove Elementary and University School, Robert graduated from the University of Victoria with an honors Bachelor of Science degree.

He is the son of Mr. and Mrs. C. Basil Jayne of 555 Wain Cross Road.

He is working in the chemistry labs at the University of British Columbia during the summer months, and plans to enter the university's chemistry faculty in September.

**RONALD PETER PHILIPCHALK**

Ronald received his Bachelor of Arts degree with second class honors in psychology.

He is the son of Mr. and Mrs. P.A. Philipchalk of 11170 Heather Road, Sidney.

During his years at the University of Victoria, he won several scholarships.

He plans to continue his studies in psychology.

### Mrs. Hidder Laid To Rest

Mrs. Phyllis Alma Hidder of 11150 Chale Road died June 9 at Rest Haven Hospital.

Mrs. Hidder was born in West Gwillimbury Township in Ontario's Simcoe County. She was a resident of Deep Cove for the past 15 years.

She is survived by her husband Robert, daughter Myrtle, at home, daughter Mrs. S. (Dorothy) Chamut of Campbell River, son Bruce of Medicine Hat, five grandsons, brother Melville Peacock of Meaford, Ontario, and Russell Peacock of Scarborough, Ontario.

Services for Mrs. Hidder were held in Sands Funeral Chapel June 7 with Rev. Howard McDiarmid officiating. Interment followed at Royal Oak Burial Park.

Mr. and Mrs. E.C. Read, have returned to their home in Broadview, Sask., following a month's holiday at the home of the latter's mother, Mrs. Straubel, Malview Ave. Mrs. Straubel accompanied them to Vancouver where she visited with friends for two weeks.

Mr. and Mrs. R.H. Turley, East Saanich Road, have taken up residence in Sidney and are now living in the Seacrest Apts.

Mrs. W. Elvin, formerly of Sidney and now of 90 Linden Ave., Victoria, enjoyed a visit from her daughter, Mrs. J.J. O'Flynn, of Trinidad, W.I. and they were guests at the Empress Hotel.

Mr. and Mrs. J. Hamilton-Grundy, Fourth St., have disposed of their property and have taken up residence in Victoria.

Son of Mr. and Mrs. H. Troster, of Vancouver, was christened in St. Andrew's Church, on Sunday, June 4, at 2 o'clock, by Rev. Canon F.C. Vaughan-Birch and was given the names Gregory Carl. Miss Carol Nicholls, Vancouver, and Ronald Musclove, uncle of Gregory, are the Godmother and Godfather. Maternal grandparents are Mr. and Mrs. J.D. Musclove; paternal grandparents are Mr. and Mrs. H. Troster of Germany and Mrs. C.L. Musclove, Fourth St. is a great grandmother. A christening tea followed at the home of Mr. and Mrs. J.D. Musclove, Third St.

Mr. and Mrs. H.P. Bell, Vancouver, attended the christening of their great nephew, Gregory Carl Troster, on Sunday.

## ZONING BY-LAW GIVEN APPROVAL

Central Saanich's comprehensive zoning by-law was given final reading last Monday and was approved by five votes to one.

In registering a negative vote Councillor Mrs. M.E. Salt strongly protested the regulation prohibiting more than one principal residential building on one legally registered lot in the agricultural special zone.

"I still think that a second house for a relative on farm property should be allowed," she protested.

"It can be if there is a subdivision," said acting-Reeve C. W. Mollard.

"It would cost me \$5,000 to put in a road," responded Councillor Salt. She maintained that it is an unfair stipulation.

Councillor Harold Andrew was concerned regarding the White chicken farm and the Dawson

building. Both owners had spoken at the hearing, said Councillor Andrew, and they will be in an unhappy position as non-conforming properties when this by-law becomes effective.

He stressed the point that they would be unable to re-build without a new zoning application if their premises were destroyed by fire.

"This is not right because they built originally with a permit," said Councillor Andrew. Having made his point, he said he would not pursue the matter to the extent of wrecking the by-law.

It had been pointed out by Municipal Clerk Fred Durrant that the by-law must have a two-third majority of the full council to pass. With one member absent two negative votes would defeat the measure.

### Presentation

Sidney Branch of the Save the Children Fund has been presented with four quilts by the 1st Tsalitip Brownie Pack. The presentation was made by Mrs. A. Grieve, Brown Owl of the pack.

The quilts were made from outmoded brownie ties, which came from as far away as Ottawa and Quebec. The quilts are to be sent to children in Korea where there is still a desperate need for them.

### Golf Tournament Now Underway

The annual Spring Golf Tournament got underway at the Salt Spring Island Golf and Country Club last week-end with 32 men taking part.

The Vernon Case Morris handicap cup (low net) was won by Carl Simpson who also won the Mac Moutat cup (low gross).

Those qualifying for the Mattson Cup in the Championship flight are Carl Simpson, Mac Moutat, G. Jensen, D. Sapte, Ed Richardson, Hart Bradley, Stan Hewett, Bill Trelford, Doug Parsons, W. Carlson, Fred Morris, R. Stacey, W. Craig, Douglas Cayave, R. Brown, and D.K. Crofton.

### Double Ring Ceremony In Local Church

Holy Trinity Church, Patricia Bay, was the scene of a quiet and pretty wedding on Saturday, June 3, at 6 p.m. when Dawn Adair, daughter of Mr. and Mrs. J.D. Helps, of Sidney was united in marriage to Walter Steven Meredith, son of Mr. and Mrs. W. Meredith, of Sidney.

Rev. Canon F.C. Vaughan-Birch officiated at the double ring ceremony and Mrs. N. Hale played the wedding music. Baskets of white and yellow gladioli and blue Iris decorated the church.

The bride given in marriage by her father, wore a white dress with a long veil and carried a cascade bouquet of red roses and Stephanotis. Miss Martha Sutherland, of Victoria, was bridesmaid and was dressed in navy blue lace and carried a colonial bouquet of pink carnations. William Mason, brother-in-law of the groom, acted as best man.

Following the ceremony a wedding supper was served at the Chale, Deep Cove. The toast to the bride was proposed by her uncle, Cecil Helps of Victoria. Following a honeymoon spent in Washington the young couple will reside in Victoria.

Private services were held at Sands Funeral Chapel in Sidney June 4 with Rev. Howard C. McDiarmid officiating. Cremation followed.

## Activities For Veterans' Week

Next week's activities connected with National Veterans' Week start with a Memorial Service Sunday, June 11, and end with a parade to the cenotaph to lay a wreath Saturday, June 17.

In between there is to be a baseball game between the little league teams sponsored by the Legion club and the Army and Navy on Tuesday night, and this will be preceded by a game between the two veterans' organizations.

Open house at the Army and Navy Club will be held Monday, and an open house at the Legion is set for Friday. All veterans are welcomed to a bingo in the Legion hall Wednesday, and on Thursday there is to be a film show at the hall.

Saturday's parade is to begin at 7 p.m. The parade will be formed at the Army and Navy club.

## Seafood Fiesta Success Again

Sidney Kinsmen have done it again.

Successful was the way to describe Sunday's Seafood Fiesta at Tulista Park.

The sun was shining, the thermometer measured 73 and the people came in the hundreds. This was the fourth year of the event, and the fourth year that it has been blessed with excellent weather.

An estimated 1,200 people turned out to taste the various seafoods, a good increase over the approximately 800 that enjoyed the event the year before.

"It's been getting bigger and bigger every year," commented Kinsman Hugh Hollingworth. "Our only worry is that next year we won't be able to handle the crowds by ourselves."

During the day the following

was purchased by the crowds: 50 gallons of clam chowder, 200 lbs. of barbecued salmon, 20 gallons of oysters and about 250 hamburgers.

It's not known how much orange drink was poured down thirsty throats. "We had men looking all over for more," Mr. Hollingworth said, "so we have no idea how much we sold. We got it wherever we could. Coffee also sold fairly well."

In the raffle held at guessing the weight of a salmon, there were 99 entries with guesses ranging from 7 lbs. to 44 lbs. The fish weighed 9 3/4 lbs. and the prize for the closest guess was won by E.A. Hansen of 10490 West Saanich Road.

All proceeds go towards the Kinsmen's community work.

### CONSOLIDATED INVESTMENT PLAN

Small or Large Investors can share alike in this pooled investment fund, offering a diversified portfolio guided by a team of experienced investment managers.

THE FUND HAS THREE SECTIONS:

#### Income - Equity - International

Contributions to any or all of these sections may be varied from time to time. For complete details call or write for free booklet.
